## MEMBERSHIP BENEFITS

BENEFITS OF MEMBERSHIP INCLUDE:

When the Library Binding Institute (LBI) was formed seventy five years ago, adherence to the highest possible standard in library binding was one of the organization's founding principles. Upholding and advocating high standards continues to be an essential component of LBI's mission. The importance of preserving the written word cannot be underestimated. Increasing awareness about the value of library binding is critical, as is educating library professionals on the long-term care, preservation, and maintenance of their book and serial collections. As the premier resource on library binding information and education, the Library Binding Institute exists to support librarians in this endeavor.

Institutional members are entitled to participate in all programs and services of the Library Binding Institute. Dues for this category of membership are \$100 a year. Please complete the application and return with payment to the Library Binding Institute.
